Yard allocations volunteer roster

Hello competitors,

Please read through the following yard allocation and volunteer roster carefully. Almost every rider is given in job to ensure our competitions run efficiently, if you are unable to attend your role, it is your responsibility to organise someone else who can. If you find yourself with spare time throughout the day, we would love it if you could stop in at the container to see if any tasks need covering.

Thankyou for those who have allocated themselves to pack up, this will commence at the completion of the competition, many hands make light work so please ensure you fulfil this role.

Every person attending over the weekend will be required to check in with our **QR code**, you will find these located around Equestrian Park, please ensure all riders, grooms, and supporters have done so. Also ensure you are maintaining social distancing at all times.

All **scoring will be electronic**. Results can be accessed at Nominate under Equestrian, then the Results tab.

There will be a **food van** onsite from 7:30am on Sunday.

Dogs must be on a leash at all times.

For **scratching's** please TEXT you name, horses name and test to Sophie at 0400 449 136.
