AWARD CRITERIA

Horse of the Year Awards

The following guidelines are applied to HOTY awards:

1. All horses must be ridden by current financial members of the ACTDA at the time of competition to be eligible for point score. The ACTDA financial and membership year runs from 1 June to 31 May. To be eligible for the annual point score, riders need to be financial members for both membership years which overlap the point score competition year.
2. The owner of a horse must be a current financial member of the ACTDA for their horse to be eligible for Horse of the Year.
3. At each competition the highest performance of a Horse at any one level will be recorded. At the end of the year all performances will be added together and the Horse with the highest combined performances will be awarded Horse of the Year.
4. Official Open and AOR and Unofficial Closed Unrestricted tests from Preliminary level and above are eligible for the point score. Prep tests, Freestyle tests, Young Horse tests, Rider Limited classes and training days are excluded.
5. Hors Concours (HC) results are not eligible.
6. All tests must gain a minimum score of 50% to be eligible.
7. Horses can only gain ONE performance at each level on any one competition day.
8. At the Canberra Classic championships, each day of competition is treated separately so that horses and riders can earn scores toward the awards on each day of these competitions.
9. Riders must nominate at the time of entry if they wish to compete as an AOR for that competition.
10. In the event of equal performances at the end of the year a count-back will determine the Horse of the Year. Performances gained in official tests will take precedence over points gained in unofficial tests. In the event that performances are still tied, performances gained in the higher test will take precedence.
